ORDER:

For the regular maintenance and servicing of the fleet of tractors owned by the Agricultural Department, it was originally proposed to set up three Regional Tractor Workshops in this State at Coimbatore, Bapatla and Bellary. The Government sanctioned in 1949 the setting up of only two Tractor Workshops at Coimbatore and Bapatla. The Director of Agriculture has stated that a third Tractor Workshop at Bellary for the districts of Rayalaseema which have large tracts of uncultivated land is urgently needed for maintaining the field work of tractors at the highest efficiency and to ensure continuity of ploughing and levelling operations. He has also stated that major repairs, overhauls, and complete stripping up of tractors, bull dozers and plough and other field equipment involving heavey lifting, and tooling will be carried out at the proposed workshop, according to a periodical programme as in the case of the other two workshops at Coimbatore and Bapatla. He has therefore requested that a Tractor Workshop at Bellary may be set up with the necessary staff.

2. The Government have carefully examined the question and approve the proposals of the Direftor of Agriculture for the establishment of a Tractor Workshop at Bellary.

3. The Government also sanction (i) the employment of the staff mentioned in Annexure I to this Order from the date of appointment till 31-3-1953 in the first instance for the Tractor Workshop at Bellary and (ii) an expenditure of Rs.56,900/- (Rupees fifty six thousand nine hundred only) as detailed in Annexures II and III to this Order.

4, The expenditure should be debited to the relevant sub-heads under '40-Agriculture-F.Agricultural - Engineering".

5. The Director of Agriculture is requested to take steps immediately for setting up the Tractor Workshop at Bellary for maintaining in good condition all the tractors and other machinery in the Rayalaseema area.

6. The Director of Agriculture is requested to report on the working of the Tractor Workshop, Bellary while submitting his half-yearly reports relating to the Tractor Workshops at Coimbatore and Bapatla.
